PART II**CAPITAL PROJECTS BUDGET**

(1) **Capital Construction Fund Appropriations and Reauthorizations:** Moneys in the Capital Construction Fund are appropriated for the following capital projects subject to the conditions and procedures in this Act. Items listed without appropriated amounts are previously authorized for which no additional amount is required. These items are listed in order to continue their current authorization into the 2020-2022 fiscal biennium. Unless otherwise specified, reauthorized projects shall conform to the original authorization enacted by the General Assembly.

(2) **Expiration of Existing Line-Item Capital Construction Projects:** All appropriations to existing line-item capital construction projects expire on June 30, 2020, unless reauthorized in this Act with the following exceptions: (a) A construction or purchase contract for the project shall have been awarded by June 30, 2020; (b)

Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds, if the authorized project completes an initial draw on the line of credit within the fiscal biennium immediately subsequent to the original authorization; and (c) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties by June 30, 2020. Notwithstanding the criteria set forth in this subsection, the disposition of 2020-2022 fiscal biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to KRS 45.770(5)(c).

(3) Bond Proceeds Investment Income: Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project shall be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations.

(4) Appropriations for Projects Not Line-Itemized: Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer projects; Flood Control projects; Repair of State-Owned Dams; Guaranteed Energy Savings Performance Contract projects; Wetland and Stream Mitigation projects; Bond-funded, Restricted Fund, and Aircraft maintenance pools; Postsecondary Education pools; Commonwealth Office of Technology Infrastructure Upgrades; Legacy System Retirement Pool; and the Wastewater Treatment Upgrades pool. Notwithstanding any statute to the contrary, projects estimated to cost \$1,000,000 and over and equipment estimated to cost \$200,000 and over shall be reported to the Capital Projects and Bond Oversight Committee.

(5) Capital Construction and Equipment Purchase Contingency Account: If funds in the Capital Construction and Equipment Purchase Contingency Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

(6) Emergency Repair, Maintenance, and Replacement Account: If funds in the Emergency Repair, Maintenance, and Replacement Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

(7) Appropriation-Supported Debt: To lower the cost of borrowing, the agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to refinance appropriation supported debt obligations that have previously been issued and for which the Commonwealth is currently making lease-rental payments to meet the current debt service requirements. Such action is authorized provided that the principal amount of any such debt obligation is not increased and the term of the debt obligation is not extended. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

(8) Cash Defeasance: State agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to economically or legally defease debt obligations that have previously been issued by the agency, or through a third-party but for which the Commonwealth or the agency is currently making lease-rental payments to meet the current debt service requirements. If Restricted Funds are used for the defeasance of bonds, the agency may use a prior Agency Bond authorization for a new debt obligation so long as the debt service for the new debt obligation is not greater than the debt service of the defeased bonds and the term of the new debt obligation is not greater than the term of the defeased bonds. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

GENERAL PROVISIONS

1. Funds Designations: Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate fund records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, other miscellaneous federal receipts received by a budget unit, and the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. Expenditure of Excess Federal Funds Receipts: If receipts received or credited to the Federal Funds accounts of a budget unit during fiscal year 2020-2021 or fiscal year 2021-2022, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by a specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.730, and 48.800, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Federal Funds records contained in the fiscal biennium 2020-2022 Branch Budget Request Manual and according to the following schedule in each fiscal year: (a) on or before the beginning of each fiscal year; (b) on or before October 1; (c) on or before January 1; and (d) on or before April 1.

Notwithstanding KRS 48.630, no unbudgeted Restricted Funds shall be allotted or expended without the express authority of the General Assembly, with the exceptions of the Public Service Commission and institutions of higher education.

3. Interim Appropriation Increases: No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630 and Part III, 2. of this Act. Proposed revisions to an appropriation contained in the enacted Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2. of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

4. Revision of Appropriation Allotments: Allotments within appropriated sums for the activities and purposes contained in the enacted Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

5. Permitted Appropriation Obligations: No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly and legislative and executive records.

6. Lapse of General Fund or Road Fund Appropriations Supplanted by Federal Funds: Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account, respectively, to the extent the Federal Funds otherwise become available.

7. Federally Funded Agencies: A state agency entitled to Federal Funds, which would represent 100 percent of the cost of a program, shall conform to KRS 48.730.

8. Lapse of General Fund or Road Fund Excess Debt Service Appropriations: Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

9. Statutes in Conflict: All statutes and portions of statutes in conflict with any of the provisions of this Act, to the extent of the conflict, are suspended unless otherwise provided by this Act.

10. Interpretation of Appropriations: Notwithstanding KRS 48.500, all questions that arise in interpreting this Act and the Transportation Cabinet budget shall be decided by the Attorney General, and the decision of the Attorney General shall be final and conclusive.

11. Publication of the Budget of the Commonwealth: The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2020 and 2021 Regular Sessions of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the Legislative Budget, Executive Budget, Transportation Cabinet Budget, and Judicial Budget as enacted by the 2020 and 2021 Regular Sessions, as well as other Acts which contain appropriation provisions for the 2020-2022 fiscal biennium, and based upon supporting documentation and legislative records as considered by the 2020 and 2021 Regular Sessions. This document shall include, for each agency and budget unit, a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class, and any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted Executive Budget and Transportation Cabinet Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each Part of this Act and by KRS 48.400 to 48.810, and upon review and approval by the Interim Joint Committee on Appropriations and Revenue.

12. State Financial Condition: Pursuant to KRS 48.400, the State Budget Director shall monitor and report on the financial condition of the Commonwealth.

13. Prorating Administrative Costs: The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of the Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

14. Construction of Budget Provisions Regarding Executive Reorganization Orders: Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 2020 or 2021 Regular Sessions of the General Assembly.

15. Budget Planning Report: By August 15, 2021, the State Budget Director, in conjunction with the Consensus Forecasting Group, shall provide to each branch of government, pursuant to KRS 48.120, a budget planning report.

16. Tax Expenditure Revenue Loss Estimates: By October 15, 2021, the Office of State Budget Director shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss resulting from tax expenditures. The Department of Revenue shall provide assistance and furnish data, which is not restricted by KRS 131.190. "Tax expenditure" as used in this section means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

17. Duplicate Appropriations: Any appropriation item and sum in Parts I to X of this Act and in an appropriation provision in any Act of the 2020 or 2021 Regular Sessions which constitutes a duplicate appropriation shall be governed by KRS 48.312.

18. Priority of Individual Appropriations: KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

19. Severability of Budget Provisions: Appropriation items and sums in Parts I to X of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

20. Unclaimed Lottery Prize Money: For fiscal year 2020-2021 and fiscal year 2021-2022, all unclaimed lottery prize money under KRS 154A.110(3) shall be credited to the Kentucky Educational Excellence Scholarship Reserve Account to be held as a subsidiary account within the Finance and Administration Cabinet for the purpose of funding the KEES Program as appropriated in this Act. If the Kentucky Higher Education Assistance Authority certifies to the State Budget Director that the appropriations in this Act for the KEES Program under the existing award schedule are insufficient to meet funds required for eligible applicants, then the State Budget Director shall provide the necessary allotment of funds in the balance of the KEES Reserve Account to fund the KEES Program. Actions taken under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue on a timely basis.

21. Workers' Compensation: Notwithstanding KRS 342.340(1) and 803 KAR 25:021, Section 5, the Personnel Cabinet shall be exempt from procuring excess risk insurance in fiscal year 2020-2021 and fiscal year 2021-2022 for the Workers' Compensation Benefits and Reserve Program administered by the Cabinet.

22. Carry Forward and Undesignated General Fund and Road Fund Carry Forward: Notwithstanding KRS 48.700 and 48.705, and other Parts of this Act, the Secretary of the Finance and Administration Cabinet shall determine and certify, within 30 days of the close of fiscal year 2019-2020 and fiscal year 2020-2021, the actual amount of undesignated balance of the General Fund and the Road Fund for the year just ended. The amounts from the undesignated fiscal year 2019-2020 and fiscal year 2020-2021 General Fund and Road Fund balances that are designated and carried forward for budgeted purposes in the 2020-2022 fiscal biennium shall be determined by the State Budget Director during the close of the respective fiscal year and shall be reported to the Interim Joint Committee on Appropriations and Revenue within 30 days of the close of the fiscal year. Any General Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the General Fund Surplus Expenditure Plan contained in Part VII of this Act unless otherwise provided in this Act. The Road Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the Road Fund Surplus Expenditure Plan contained in Part IX of this Act unless otherwise provided in this Act.

23. Reallocation of Appropriations Among Budget Units: Notwithstanding any statute to the contrary, or provisions of this Act, the Secretary of a Cabinet, the Commissioner of the Department of Education, and other agency heads may request a reallocation among budget units under his or her administrative authority up to ten percent of General Fund appropriations contained in Part I, Operating Budget, of this Act for fiscal years 2019-2020, 2020-2021, and 2021-2022 for approval by the State Budget Director. A request shall explain the need and use for the transfer authority under this section. The amount of transfer of General Fund appropriations shall be separately recorded and reported in the system of financial accounts and reports provided in KRS Chapter 45. The State Budget Director shall report a transfer made under this section, in writing, to the Interim Joint Committee on Appropriations and Revenue.

24. Local School District Expenditure Flexibility: Notwithstanding KRS 160.470(6) or any statute to the contrary, during fiscal year 2020-2021 and fiscal year 2021-2022, local school districts may adopt and the Kentucky Board of Education may approve a working budget that includes a minimum reserve of less than two percent of the total budget. The Kentucky Department of Education shall monitor the financial position of any district that receives approval for a working budget with a reserve of less than two percent and shall provide a financial report for those districts at each meeting of the Kentucky Board of Education.

25. Appropriations Expenditure Purpose and Transfer Restrictions: Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and KRS 48.400 to 48.810. Compliance with the provisions of this section shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

26. Budget Implementation: The General Assembly directs that the Executive Branch shall carry out all appropriations and budgetary language provisions as contained in the State/Executive Budget. The Legislative Research Commission shall review quarterly expenditure data to determine if an agency is out of compliance with this directive. If the Legislative Research Commission suspects that any entity has acted in non-conformity with this section, the Legislative Research Commission may order an audit or review at the agency's expense. Such audit findings, reviews, and reports shall be subject to the Kentucky Open Records Law.

27. Information Technology: All authorized computer information technology projects shall submit a semiannual progress report to the Capital Projects and Bond Oversight Committee. The reporting process shall begin six months after the project is authorized and shall continue through completion of the project. The initial report shall establish a timeline for completion and cash disbursement schedule. Each subsequent report shall update the timeline and budgetary status of the project and explain in detail any issues with completion date and funding.

28. Equipment Service Contracts and Energy Efficiency Measures: The General Assembly mandates that the Finance and Administration Cabinet review all equipment service contracts to maximize savings to the Commonwealth to strictly adhere to the provisions of KRS 56.772, 56.782, and 56.784 in maximizing the use of energy efficiency measures.

29. Debt Restructuring: Notwithstanding any other provision of the Kentucky Revised Statutes, no General Fund or Road Fund debt restructuring transactions shall be undertaken during the 2020-2022 fiscal biennium.

30. Effects of Subsequent Legislation: If any measure enacted during the 2020 or 2021 Regular Session of the General Assembly subsequent to this Act contains an appropriation or is projected to increase or decrease General Fund revenues, the amount in the Budget Reserve Trust Fund shall be revised to accommodate the appropriation or the reduction or increase in projected revenues. Notwithstanding any provision of KRS 48.120(4) and (5) to the contrary, the official enacted revenue estimates of the Commonwealth described in KRS 48.120(5) shall be adjusted at the conclusion of the 2020 and 2021 Regular Sessions of the General Assembly, respectively, to incorporate any projected revenue increases or decreases that will occur as a result of actions taken by the General Assembly subsequent to the passage of this Act by both chambers.

31. Permitted Use of Water and Sewer Bond Funds: Notwithstanding Part II, (3) of this Act and any statute to the contrary, any balances remaining for either closed or open project grant agreements authorized pursuant to bond pools set forth in 2003 Ky. Infrastructure for Economic Development Fund for Coal-Producing Counties; 2008 Ky. Acts ch. 123, Section 3., 004. Infrastructure for Economic Development Fund for Coal-Producing Counties and 005. Infrastructure for Economic Development Fund for Non-Coal Producing Counties; and 2008 Ky. Acts ch. 174, Section 2.; and 2009 Ky. Acts ch. 87, Section 2. shall not lapse and shall remain to the credit of projects previously authorized by the General Assembly unless expressly reauthorized and reallocated by action of the General Assembly.

32. Jailer Canteen Accounts: Notwithstanding KRS 67.0802(6)(a), any compensation resulting from the disposal of real or personal property that was purchased from a canteen account under KRS 441.135 shall be returned to the canteen account from which the real or personal property was originally purchased. All proceeds resulting from the disposal of real or personal property purchased from a canteen account shall be reported to the Interim Joint Committee on Appropriations and Revenue by December 1 of each fiscal year.

33. COVID-19 Federal Funds: No Federal Funds received from the Coronavirus, Aid, Relief and Economic Security (CARES) Act or any other Federal Funds related to the COVID-19 emergency response shall be used to establish any new programs unless those new programs can be fully supported from existing appropriation amounts once all of the Federal Funds have been expended. No new positions shall be established unless those new positions are established as federally funded time-limited positions. The Office of State Budget Director shall submit a report to the Interim Joint Committee on Appropriations and Revenue by December 1 of each fiscal year on the expenditure of all Federal Funds and associated matching funds related to the COVID-19 emergency response.

34. Approval of State Aircraft Travel: Notwithstanding KRS 44.060, 45.101, 174.508, and any other statute or administrative regulation to the contrary, the use of state aircraft by any secretary of any Executive Branch cabinet for out-of-state travel shall be approved by the State Treasurer. The State Treasurer shall only approve requests which document that the use of state aircraft is the lowest cost option as measured by both travel costs and travel time. The State Treasurer shall not designate approval authority for out-of-state travel on state aircraft by Executive Branch cabinet secretaries to any other person. Any requests and documentation regarding the use of state aircraft collected by the State Treasurer shall be subject to the Kentucky Open Records Act, KRS 61.872 to 61.884.

35. Employee Layoffs, Furloughs, and Reduced Hours: Notwithstanding any statute to the contrary, the following process and procedure is established for July 1, 2020, through June 30, 2022, in the event that the Commonwealth or any agency determines that it is desirable for the Executive Branch to layoff, furlough, or reduce hours of employees:

(1) For the purposes of this section:

(a) "Appointing authority" means the agency head or any person whom he or she has authorized by law to designate to act on behalf of the agency with respect to employee appointments, position establishments, payroll documents, register requests, waiver requests, requests for certification, or other position actions;

(b) "Secretary" means the Secretary of the Personnel Cabinet as provided for in KRS 18A.015;

(c) "Furlough" or "reduction in hours" means the temporary reduction of hours an employee is scheduled to work by the appointing authority within a pay period;

(d) "Layoff" means discharge of employment subject to the rights contained in this section; and

(e) "Employees" includes all persons employed by the Executive Branch, including but not limited to employees of KRS Chapter 18A, KRS Chapter 16, KRS Chapter 156, the Kentucky Teachers' Retirement System, the Kentucky Higher Education Student Loan Corporation, the Kentucky Housing Corporation, and the Kentucky Lottery Corporation;

(2) An appointing authority has the authority to layoff or furlough employees or reduce hours of employment for any of the following reasons:

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. For purposes of layoff, "probationary employee" does not include an employee with status serving a promotional probation;

(4) The Secretary shall approve all actions taken under subsection (2) of this section and no such layoff, furlough, or reduction of hours may begin until such approval has been granted. The appointing authority with the approval of the Secretary has the authority to determine the extent, effective dates, and length of any action taken under subsection (2) of this section;

(5) In determining the employees to be laid-off, the appointing authority shall consider all employees under the same appointing authority, within the job classification affected, and within the county affected. Consideration shall be given to the following relevant factors:

(a) Job performance evaluations;

(b) Seniority;

(c) Education, training, and experience; and

(d) Disciplinary record;

(6) Any employee whose position is subject to layoff, furlough, or reduction of hours shall be provided written notice containing the reason for the action as set forth in subsection (2) of this section at least 15 days in advance of the effective date of the action;

(7) Any employee with status who is laid-off shall be eligible to apply as a reemployment applicant for positions with the same job classification from which he or she was laid-off, in the cabinet from which he or she was laid-off. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same register. A reemployment applicant shall not be removed from any register except as provided by KRS 18A.032. When a reemployment applicant is removed from a register, he or she shall be notified in writing. A reemployment applicant who accepts any classified position, or who retires through the Kentucky Retirement Systems or Kentucky Teachers' Retirement System, shall cease to have eligibility rights as a reemployment applicant;

(8) With the approval of the Secretary, the Personnel Cabinet may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The Secretary shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee for the purposes of KRS Chapters 16, 18A, and 156, and shall be appealable to the State Personnel Board, the Kentucky Technical Education Personnel Board, the Department of Kentucky State Police Personnel Board, or other applicable administrative body.

36. Lapse of General Fund or Road Fund Appropriations Supplanted by Pandemic Relief Funds: Notwithstanding KRS 45.229, any General Fund appropriations that become available due to supplantation of Federal Funds related to COVID-19 emergency response or pandemic relief shall lapse to the Budget Reserve Trust Fund Account (KRS 48.705). Any Road Fund appropriations that become available due to supplantation of Federal Funds related to the COVID-19 emergency response or pandemic relief shall lapse to the Emergency Disaster Relief Account.

37. Executive Orders: Notwithstanding any statute or common law to the contrary, and except as provided in this Act, no state funds or state employee time shall be expended by any person or agency to implement or enforce any executive order issued other than as authorized by KRS Chapter 39A through 39F, as amended by 2021 Regular Session SB 1 and further amended by subsequent acts of the 2021 General Assembly, or other than as may be implemented or enforced for a total sum not exceeding \$10,000, inclusive of all state employee time and costs, or other than as may relate to an emergency order issued relative to a natural disaster, or other than as may be approved by the General Assembly. Further, for the purpose of ensuring transparent government, each and every executive order issued, whether or not subject to the aforesaid restrictions, shall provide simultaneously to the Legislative Research Commission the following items in a comprehensive report as a condition precedent for the expenditure of any state funds or use of any state employee time:

- (1) A complete statement of each essential fact upon which the order is based;
- (2) A complete statement of each goal sought through issuance of the order;
- (3) A comprehensive analysis explaining how the executive order achieves each stated goal with the least burden placed upon the constitutional rights of the citizens of the Commonwealth of Kentucky and how each stated goal is accomplished with the most efficient use of tax payer money;
- (4) A detailed estimate of the anticipated expenditures of all state funds and all state employee time required for implementation or enforcement itemized in the smallest categories reasonably identifiable and stated in weekly increments; and
- (5) A detailed statement of all state funds and all state employee time actually expended for implementation or enforcement of each and every prior executive order upon the same issue or event, or substantially similar issue or event itemized in the smallest categories reasonably identifiable and stated in weekly increments.

Each comprehensive report shall be updated every 30 days subsequent to issuance of an executive order and provided to the Legislative Research Commission.

38. American Rescue Plan Act: Notwithstanding KRS 48.630, Part III, 2. of this Act, and any statute to the contrary, the state portion of the Coronavirus State and Local Fiscal Recovery Fund and the Coronavirus Capital Projects Fund of the American Rescue Plan Act of 2021 shall not be expended or appropriated without the express authority of the General Assembly.

39. Pandemic Relief Funds: No Federal Funds received related to COVID-19 emergency response or pandemic relief shall be used to establish any new programs unless those new programs can be fully supported from existing appropriation amounts once all of the Federal Funds have been expended. No new positions shall be established unless those new positions are established as federally funded time-limited positions. The Office of State Budget Director shall prepare a monthly report for all federal pandemic relief funds. The report shall include, at a minimum, the federal grant program name, the recipient, the purpose of the funding, the total award amount, monthly detail of actual expenditures by object code, and the fund source and amounts of any state funds that have been supplanted. The report shall be submitted to the Legislative Research Commission, Office of Budget Review, by the 15th of each month during the 2020-2022 fiscal biennium.

PART IV

STATE SALARY/COMPENSATION, BENEFIT, AND EMPLOYMENT POLICY

1. Authorized Personnel Complement: On July 1, 2020, and July 1, 2021, the Personnel Cabinet and the Office of State Budget Director shall establish a record for each budget unit of authorized permanent full-time and other positions based upon the enacted Executive Budget of the Commonwealth and any adjustments authorized by provisions in this Act. The total number of filled permanent full-time and all other positions shall not exceed the authorized complements pursuant to this section. An agency head may request an increase in the number of authorized positions to the State Budget Director. Upon approval of the State Budget Director, the Secretary of the Personnel Cabinet may authorize the employment of individuals in addition to the authorized complement. A report of the actions authorized in this section shall be provided to the Legislative Research Commission on a monthly basis.

2. Salary Increment: Notwithstanding KRS 18A.355 and 156.808(6)(e) and (12), no increment is provided in fiscal year 2020-2021 and fiscal year 2021-2022 on the base salary or wages of each eligible state employee on their anniversary date.

3. Employee Cross-Reference: The Personnel Cabinet may permit married couples who are both eligible to participate in the state health insurance plan to be covered under one family health benefit plan.

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected revenue shortfall in General Fund revenue receipts, excluding Tobacco Settlement – Phase I receipts, of \$11,448,237,100 in fiscal year 2019-2020, \$11,729,000,000 in fiscal year 2020-2021, and \$12,011,300,000 in fiscal year 2021-2022, as modified pursuant to Part III, 30. of this Act and by related Acts and actions of the General Assembly in an extraordinary or regular session. Notwithstanding KRS 48.130, direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address the proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected revenue shortfall.

The Governor, the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, the Auditor of Public Accounts, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary, as well as take other measures which shall be consistent with the provisions of this Part and biennial branch budget bills.

Pursuant to KRS 48.130(4), in the event of a revenue shortfall of five percent or less, the following General Fund budget reduction actions shall be implemented:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act;

(2) Transfers of excess unappropriated Restricted Funds, notwithstanding any statutes to the contrary, other than fiduciary funds, to the General Fund shall be applied as determined by the head of each branch for its respective budget units. No transfers to the General Fund shall be made from the following:

(a) Local Government Economic Assistance and Local Government Economic Development Funds;

(b) Unexpended debt service from the Tobacco-Settlement Phase I Funds, including but not limited to unexpended debt service and the Tobacco Unbudgeted Interest Income-Rural Development Trust Fund, in either fiscal year; and

(c) The Kentucky Permanent Pension Fund;

(3) Unexpended debt service;

(4) Any unanticipated Phase I Master Settlement Agreement revenues in both fiscal years shall be appropriated according to Part X of this Act and shall not be transferred to the General Fund;

(5) Use of the unappropriated balance of the General Fund surplus shall be applied;

(6) Any language provision that expresses legislative intent regarding a specific appropriation shall not be reduced by a greater percentage than the reduction to the General Fund appropriation for that budget unit;

(7) Contributions appropriated to pensions in excess of statutory requirements;

(8) Contributions appropriated to pension insurance in excess of actuarially required contributions;

(9) Reduce General Fund appropriations in Executive Branch agencies' operating budget units by a sufficient amount to balance either fiscal year. No reductions of General Fund appropriations shall be made from the Local Government Economic Assistance Fund or the Local Government Economic Development Fund;

(10) Notwithstanding subsection (9) of this Part, no reductions shall be made to the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, or the Auditor of Public Accounts, or their offices, Commonwealth's Attorneys or their offices, or County Attorneys or their offices. The Governor may request their participation in a budget reduction; however, the level of participation shall be at the discretion of the Constitutional Officer or the Prosecutors Advisory Council, and shall not exceed the actual percentage of revenue shortfall;

(11) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth;

(13) Pursuant to KRS 48.130 and 48.600, if the actions contained in subsections (1) to (12) of this Part are insufficient to eliminate an actual or projected General Fund revenue shortfall, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in this Part.
